CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at pld.iapmo.org

Effective Date: May 2017

Void After: May 2018

Product: Plumbing Supply Fittings

File No. 10408

Issued To: Cixi Zhenpeng Plumbing Fittings Co., Ltd.
179 Jingsi Rd.,
Chongshou Industrial Zone
Cixi, ZHEJIANG 315334
China

Identification: Each fitting shall bear permanent markings to identify the manufacturer. This marking shall be the trade name, trademark, or other mark known to identify the manufacturer. The marking shall be located where it can be readily seen after installation is complete. Where marking is on a readily removable component, the body shall also be marked. The product shall also bear the cUPC® certification mark.

Characteristics: Rough brass or chrome plated fixture stop valves in angle or straight patterns with or without attached corrugated copper supply tube. Valves available in various inlet and outlet combinations. IPS inlet, compression inlet, sweat inlet and 5" extension inlet. Various corrugated supply tube lengths available. Some models have dual outlets. AVDP model is a dual stop assembly with 1/2" FIP inlets.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
